

EdgeSmart™

Overview

Campus Card

EdgeSmart™ is designed to efficiently deliver services to your students, faculty, employees or the community on either specialized function smart cards or magnetic strip cards. Flexible, user defined parameters provide for extensive program options. Multiple programs maintained on the same card present opportunities for valuable linked services and effective co-branding.

Secure • Value • Service

Card features provide:

- student / employee / resident profile
- registration / admissions / eligibility
- access to facilities (designated floors / offices, residences, athletic / recreational facilities, labs, health services, handicap services, parking)
- ID for records access, distance learning, examinations, voting
- research / library usage
- technology services (computer centre, printing, copying, faxing, etc.)
- vending machines / laundry / telephone
- meal plan / food service
- campus retail transactions
- conference / special events / sports events access
- usage counter limit
- cards can be 'Hot Listed' and / or 'Disabled'
- card retains last 10 uses; device retains all use activity
- each use occasion date stamped

Card can contain multiple secure, specialty (grant funds) and reusable electronic purses with optional user PIN, and programs for associated vendors, services and incentives. Special visitor, associate & alumni card types can be issued.

Multi-lingual, *EdgeSmart™* supports all major card types and a variety of device platforms (including RF technology). No on-site processor. Off-line data collection option. Remote download capability.

Campus / community life just got easier with *EdgeSmart™* **Campus Card**.

EdgeTech® ... Transforming Technology into *Solutions*.
